

#Power control unit

Power Control Unit for Smart Film				
No	Application	Specifications	Dimension/Weight	Pictures
Building Application				
1	110V On-off power control unit with RC	Input:110vAC, Output:60vAC	13*10.5*7CM,1.6KG	
2	220V On-off power control unit with RC	Input:220vAC, Output:60vAC	13*10.5*7CM,1.65KG	
3	Dimming power control unit with RC	Input:110-240vAC Output:0-110vAC	17.5*9.5*5CM,0.7KG	
Automotive Application				
1	12V On-off power control unit with RC	Input:12vDC Output:60vAC	9*6.5*4CM,0.25KG	
2	Car Use Dimming power control unit + inverter with RC	Inverter input: 12vDC Output:220vAC Dimmer input: 110-230v AC Output:0-110v AC	19*11*6CM+17.5*9.5*5cm 0.7+0.95=1.65KG	
Remote control				
1	Building application remote control			
2	Car application remote control
